

## RFQ (Request for Qualification) for Hydrogeological Support Services

The Sativa Los Angeles County Water District is seeking proposals for professional hydrogeological services and support for a new water well.

Scope of Work shall include but not limited to:

Horizontal Distance Table

Well construction recommendations as needed and requested

Hydrogeological support services for the new well as needed and requested

Environmental support services as needed and requested

Well design support services as needed and requested

Please submit your standard rate for job classifications and any fees. Prior experience working on water well projects and experience in hydrogeological support services are taken into consideration and experience in the Central Basin service area.

Please submit your written proposal by Friday, July 14, 2017 at 5 pm to:

Sativa Los Angeles County Water District 2015 E. Hatchway St. Compton, CA 90222. Or via e-mail to: [jdredd@sativawd.com](mailto:jdredd@sativawd.com)
